LEVEL: PROFICIENT

Learn how to achieve team goals and drive business success through effective team collaboration and knowledge sharing.

Teamwork is crucial to business success. But creating and maintaining effective workplace relationships isn't a passive exercise. We all need to learn how to build and maintain effective teamwork and collaborate with others. In this teamwork course, you will learn how to achieve team goals and drive business success through collaboration and knowledge sharing. You will explore different team roles and communication styles and how to draw on team strengths and weaknesses. You will learn about the different team development stages, finding team synergies and models for conflict-resolution. You will also understand how to build and facilitate teamwork and collaboration to promote and contribute to the sharing of ideas and information.

What You Will Learn

Effective team collaboration involves facilitating teams, teamwork and knowledge sharing. In this course, you will cover facilitating teams, teamwork and knowledge sharing.
